Happenings in the Glen

The Glen Gardner Women's Club

The GGWC now has 44 members who strive to make Glen Gardner a great community in which to live – and we have a ball doing so!

We gather a few times a year for official meetings and have loads of fun at both our community and social offerings. We also strive to help those in need in our community. To find out more join us on Facebook or email Lisa Fielding at LisaMFielding@gmail.com

We would love for you to join us.

Friendships are made – our little town prospers.

Doing Business in the Community-Since 1981

Duryea Agency - This family owned insurance agency has evolved from a one-man shop founded by Dennis Duryea to its current staff of fifteen, including his son Matthew (owner). Dennis remains instrumental in day to day operations.

The agency offers insurances for auto, homeowners, life, business liability, property, workers compensation and more in addition to bonding and government consulting to help contractors obtain difficult and time consuming government contracts.

"Recently, a local parent came to me concerned about her sky rocketing premiums due to adding her 17 year old daughter on her auto policy. We were able to prepare a quote and reduced her premiums almost in half." said Matthew. They will be asking students at local

Small Enough To Care, Big Enough To Make A Difference

high schools to create a video ad for the new auto market. The student(s) who creates the winning video will be awarded a scholarship and it will be featured on their website www.duryeaagency.com.

At Duryea employees are constantly receiving training to arm themselves with new knowledge. To keep ahead of the competition they work with updated technology, which allows their clients the ability to access their policies and make changes online.

On many occasions Duryea can provide better service and the same if not better coverage than the big agencies at a competitive price.

"Our growth is a reflection of your word of mouth referrals. Thank you!" ~Matthew Duryea

A Letter from the Mayor

I am honored and excited to be your Mayor and I look forward to being available and helpful to all of our residents. The Mayor and Council are here to serve you. I endeavor to make Glen Gardner a place you are proud to call home. As you may know, I am focused on improving the quality of life in Glen Gardner.

I would love to hear from you whether that's for a cup of coffee or via email at GGMayor.Schroeter@yahoo.com.

To stay current on happenings in the Mayor's Office please visit facebook at Mayor Mattias Schroeter.

Sincerely, Mayor Mattias Schroeter, "Mayor T"
